

AN OPEN LETTER TO THE TEXAS HOUSE LEADERSHIP

Speaker Joe Straus
Texas House of Representatives

Chairman Todd Hunter
House Calendars Committee

Chairman Byron Cook
House State Affairs Committee

Honorable Members of the Texas House of Representatives
Texas State Capitol
1100 Congress Avenue
Austin, Texas 78701

Honorable Members:

Despite a substantial body of polling data showing that the people of the State of Texas demand meaningful and urgent action to address illegal immigration, the State House continues to delay and defer on key bills relating to employment verification, sanctuary cities, cost reporting and other critical areas. Notable bills languishing in House Committees include, but are certainly not limited to, the following:

House Bill 608, requiring that state agencies report the costs of services and benefits delivered to illegal immigrants, sits pending in Chairman Todd Hunter's Calendars Committee.¹

House Bill 1275, encouraging verification of immigration status by Texas employers, sits pending in Chairman Byron Cook's State Affairs Committee.²

House Bills 12 and 183, restricting 'sanctuary city' policies, continue to sit in Chairman Todd Hunter's Calendars Committee without a vote, despite being identified as high-priority 'emergency legislation' by the Governor.³

House Bill 197, requiring documentation of legal status in order to engage in state-licensed occupations, sits in Chairman Todd Hunter's Calendars Committee with no vote scheduled.⁴

¹ See <http://www.legis.state.tx.us/BillLookup/History.aspx?LegSess=82R&Bill=HB608>. On April 21, 2011, HB 608 was voted out of House State Affairs and now awaits a vote in the House Calendars Committee.

² See <http://www.legis.state.tx.us/BillLookup/History.aspx?LegSess=82R&Bill=HB3252>. House Bill 1275, scheduled for a vote in State Affairs on April 27, 2011, has been identified by IRCOT as being a better vehicle for employment status verification. <http://www.legis.state.tx.us/BillLookup/History.aspx?LegSess=82R&Bill=HB1275>.

³ See <http://www.legis.state.tx.us/BillLookup/History.aspx?LegSess=82R&Bill=HB12>; <http://www.legis.state.tx.us/BillLookup/History.aspx?LegSess=82R&Bill=HB183>.

⁴ See <http://www.legis.state.tx.us/BillLookup/History.aspx?LegSess=82R&Bill=HB197>.

As noted, these are only a few of the many bills filed relating to these issues. Most of the dozens of immigration-related bills filed in the State Legislature have not even been scheduled to receive a committee hearing, much less a vote.⁵

The Legislature's continued delay on these bills is inexplicable, given the serious and continuing concerns over the effects of unchecked illegal immigration to our state. The continued delay on House Bill 608 is particularly inexcusable, given that this bill addresses an urgent need for accurate, timely and objective reporting on the cost of government benefits to illegal immigrants.

Polling data shows that Texans are watching the State Legislature and are very concerned about the effects of unchecked illegal immigration on our state. A recent University of Texas poll of 800 registered voters in Texas found the following:

Fully 58% of Texas voters are following the current legislative session 'somewhat closely' or 'extremely closely'.⁶

Approximately 35% of Texas voters 'disapprove somewhat' or 'disapprove strongly' of the job the Texas Legislature is doing, while 27% are taking a wait and see attitude.⁷

Texas voters consider illegal immigration to be the most important problem facing the State of Texas, with the lack of border security ranking a close second.⁸

Fully 87% of Texas voters, including 71% of Hispanic voters, support the passage of a law requiring employers to verify immigration status for their employees, with 70% of Texas voters 'strongly supporting' such a law.⁹

Roughly 69% of Texas voters oppose 'sanctuary city' policies which prevent the enforcement of immigration laws.¹⁰

Our message is clear. While we, the voters of Texas, are willing to give our legislators a certain benefit of the doubt, we are paying attention, and we have every right to insist that our elected servants pay close attention to, and take action on, the issues of most importance to us.

We fully understand that our State Legislators have a great deal on their plates, but we have indicated, time and time again, that these issues are priorities. Your actions in the remaining days of the session will tell the voters of Texas where you stand, and we will be voting accordingly next year.

⁵ A cursory search of filed bills identified over two dozen filed bills relating to immigrants or immigration.

⁶ See University of Texas / Texas Tribune Poll of 800 registered voters conducted February 11-17, 2011.

⁷ See University of Texas / Texas Tribune Poll, cited above.

⁸ See University of Texas / Texas Tribune Poll, cited above. This result mirrors national opinion trends. In a recent CBS News Poll of 1,082 adults nationwide conducted Aug. 20-24, 2010, 88% of respondents characterized illegal immigration as 'very serious.' In a Pew Research/National Journal Congressional Connection Poll of 1,001 adults nationwide conducted July 8-11, 2010, 63% considered it 'important' that elected officials pass legislation to address immigration.
